Login Screen

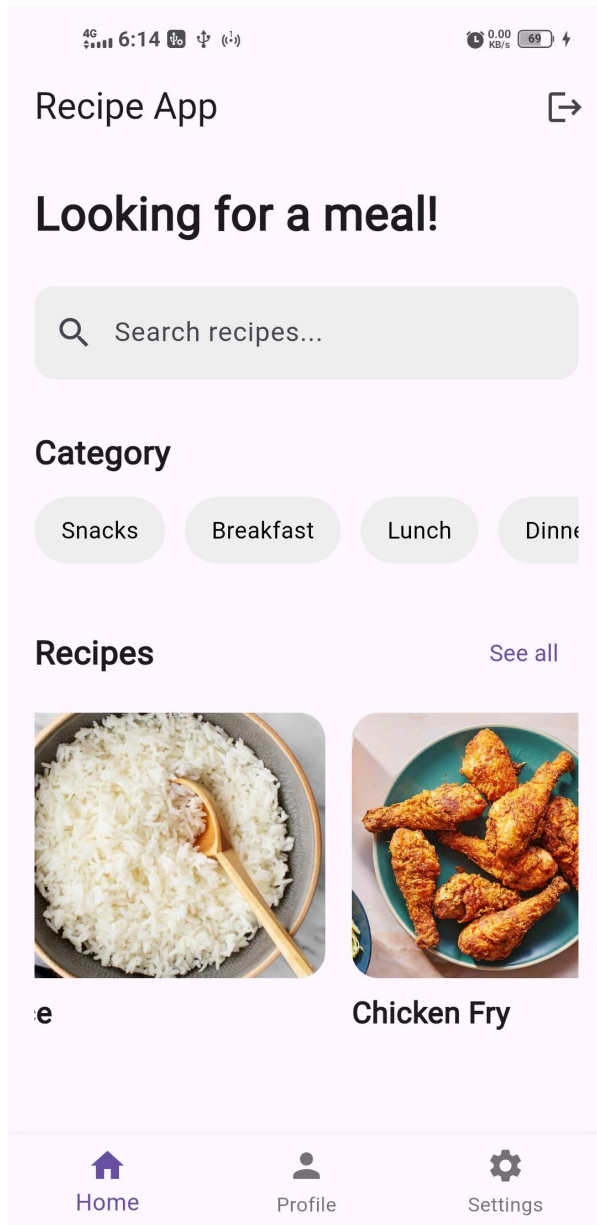

- Existing users can log in securely.

A mobile app login screen with a light pink background. At the top, the status bar shows 4G, signal strength, time 6:13, battery level 69%, and a lightning bolt icon. The word "Login" is displayed in a large, dark font. Below it is a circular icon with a green border and a yellow center containing a black fork and spoon. Under the icon are two input fields: "Email" and "Password", each with a vertical line cursor. Below the "Password" field is a rounded rectangular "Login" button. At the bottom of the screen is a link that says "Create an account". The bottom of the screen features three navigation icons: a hamburger menu, a home icon, and a back arrow.

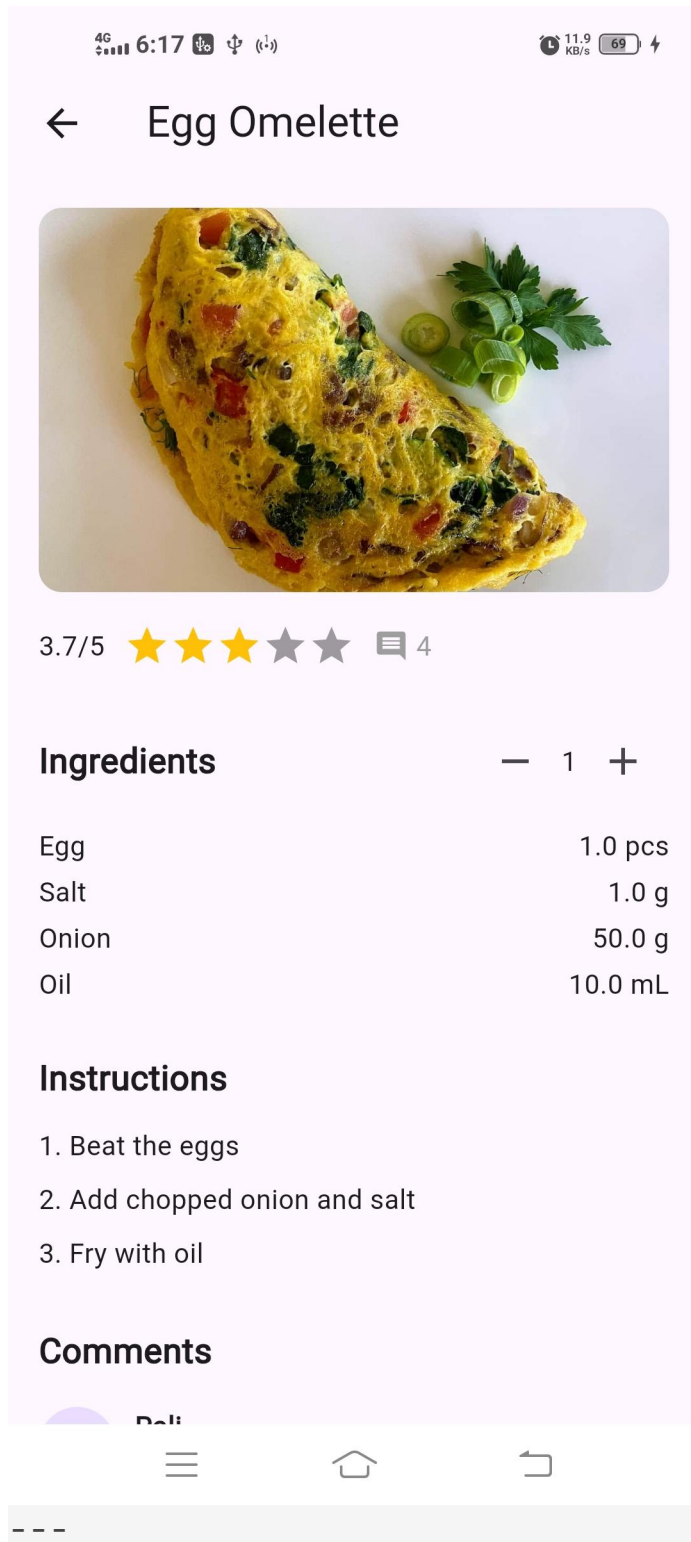

Home Screen

- Browse recipes by category.
- Search by recipe title or ingredients.
- Tap any recipe to view details.

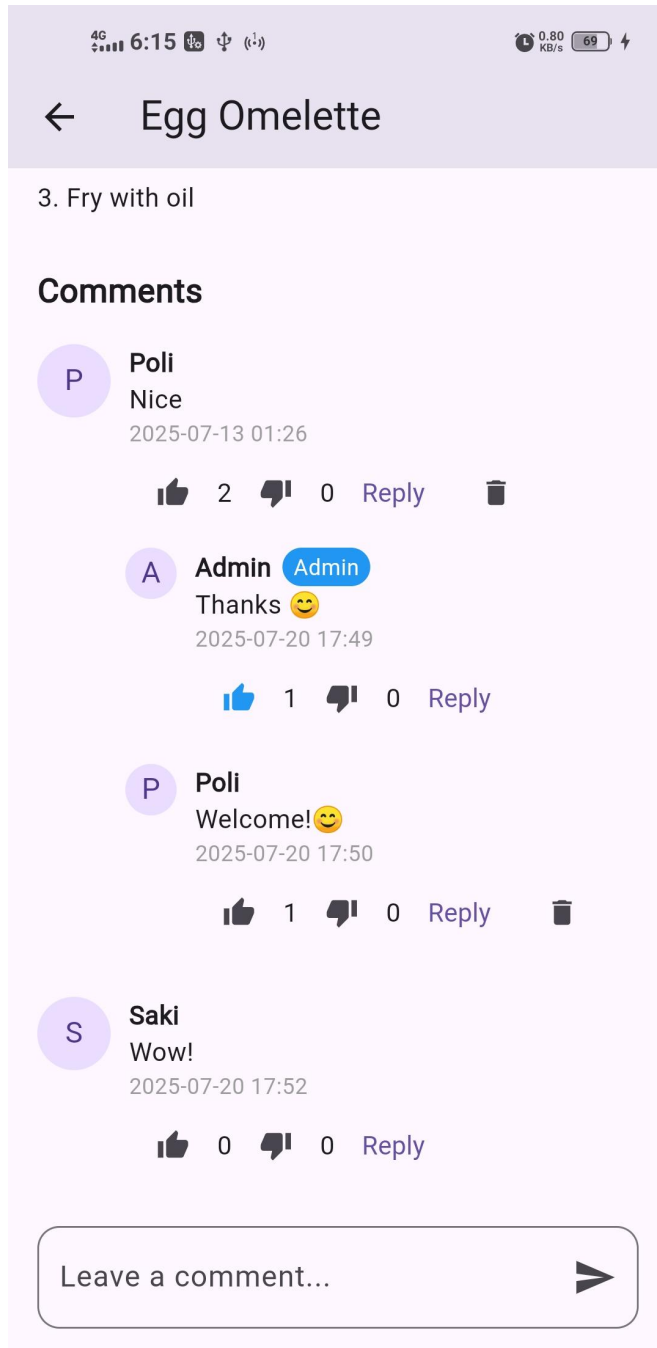

Recipe Detail Screen

- View image, title, ingredients, and instructions.
- Rate the recipe (1-5 stars).
- Scroll to read and write comments.

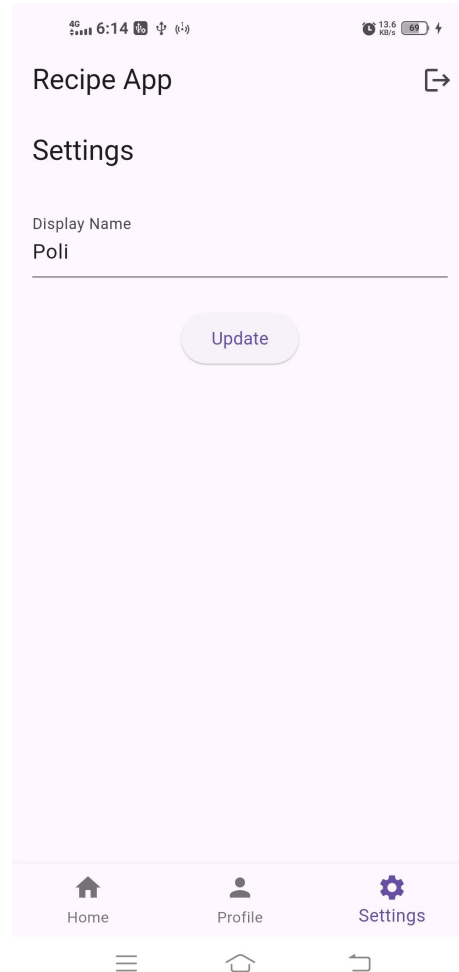

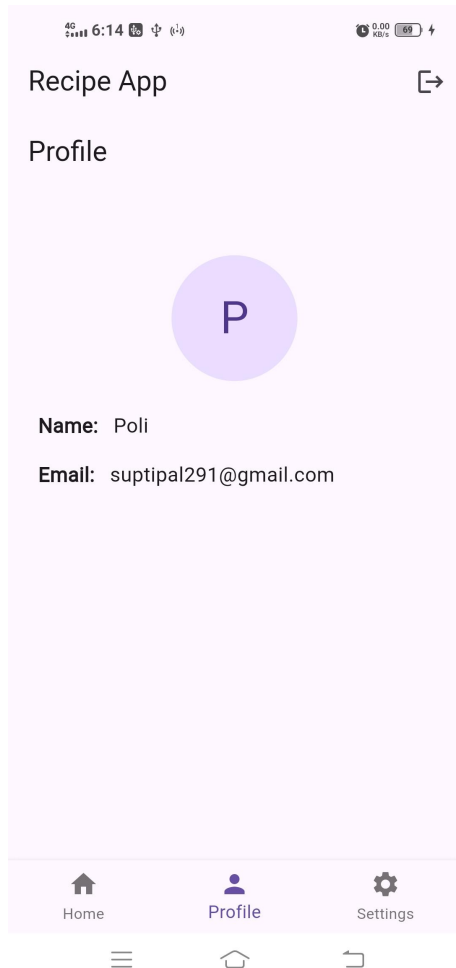

Comments & Replies

- Add a comment or reply to others.
- Like/dislike comments with single-tap toggle.
- Only one action (like or dislike) is allowed at a time.

Profile & Settings

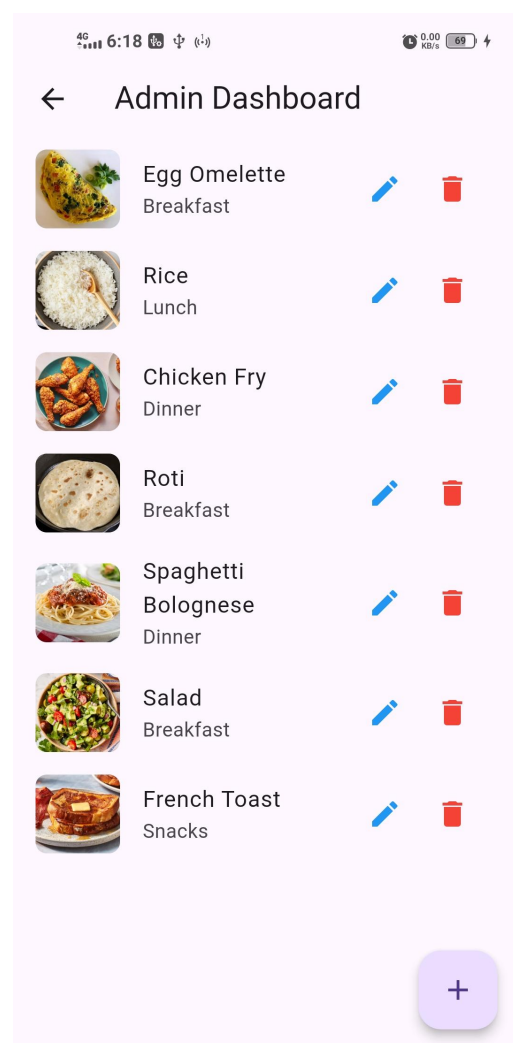

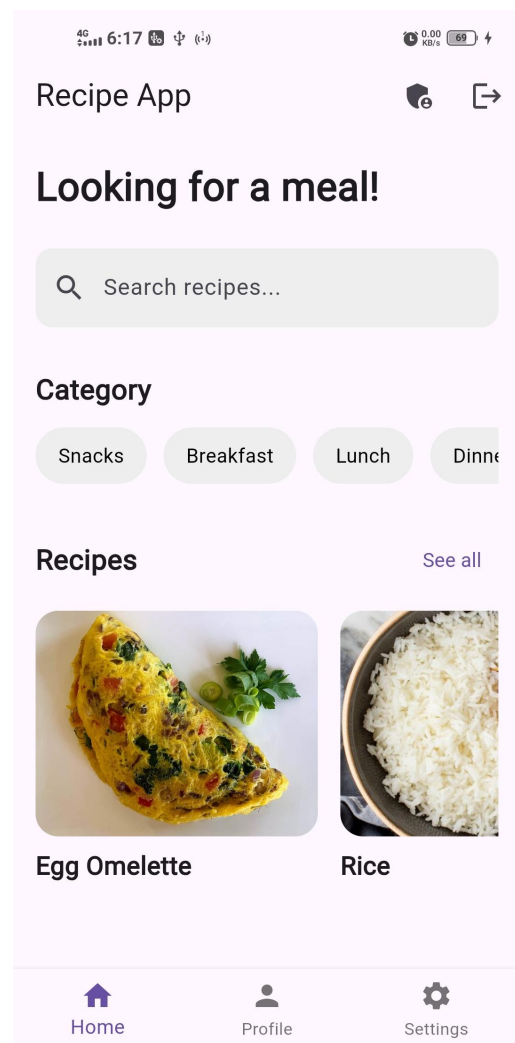

- View display name and email.
- Change display name (cannot be 'Admin').

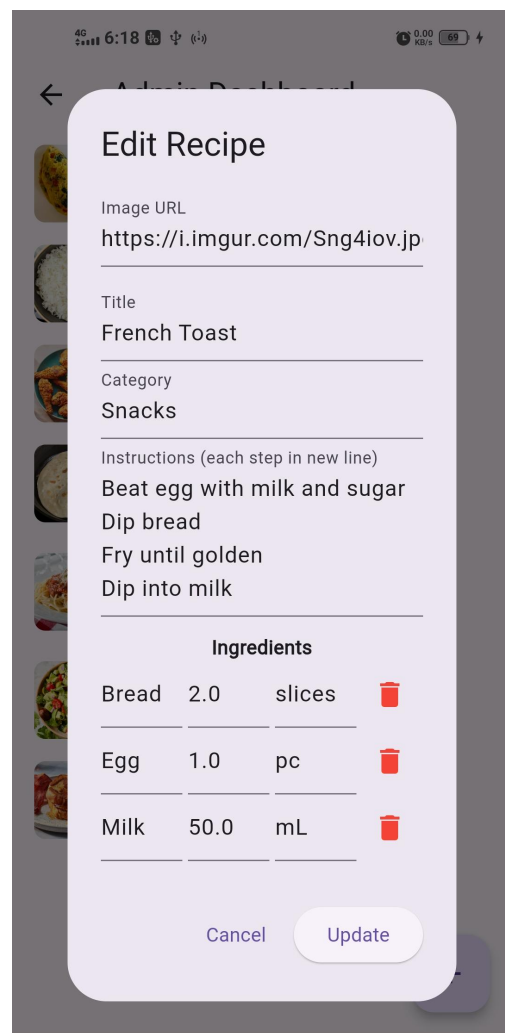

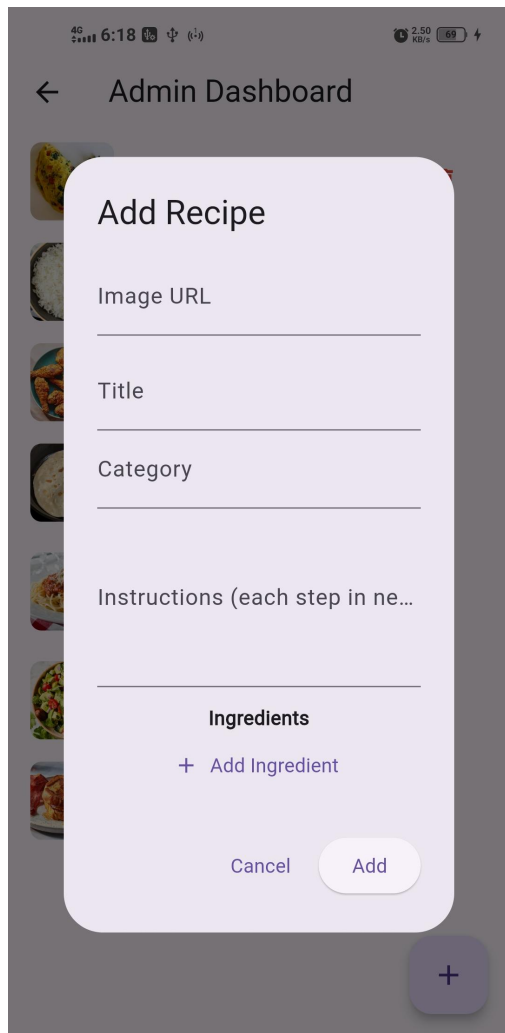

Admin Features

Admin Dashboard

- Only visible to `suptipal03@gmail.com`.
- Upload, edit, or delete recipes.
- Add recipe title, image URL, ingredients, and instructions.

Recipes details screen

- Admin badge visible on comments.
